

# LABEL51

Industrial, Scandic or design? LABEL51 has got it all! You can apply your own identity to your home by using LABEL51. Have you got the nerve? Then combine different colours. Do you like warmth? Then choose natural materials. Are you cool? Then go for industrially finished furniture.

LABEL51 was founded in 2012. Our main goal is to contribute to the consumers ultimate living enjoyment. Explicitly focussed on B2B we offer a self-conscious view on current residential and business wishes. Besides furniture stores we also supply online stores.

As a wholesaler in furniture, lighting and decoration we are leading by offering a contemporary collection including both unique as well as authentic products. We take pride in the authenticity of our produce. Our Dutch designers strive to create new, unique designs on a daily basis. Monthly new products are added to the collection. Our products are registered and protected from replication by others.

After hard work the results are impressive. You can find our complete assortment in the catalogue.

Are you as excited as we are? Please visit our website.
